Redwood County. District 8.

- Lamberton. Meadowland Elevator owns many of the elevators in nearby communities – the grain is often shipped from the other elevators to Lamberton and either loaded on the rail or trucked out. Lamberton is also the site of a proposed waste to energy facility and Energy Park, which is increase the trucking in and freight by either rail or truck out.
- Lower Sioux Reservation. Jackpot Junction Casino and Hotel is located on the reservation. Employment is 900, sales unknown, however significant freight movement to this location for the support of the casino and ancillary facilities.
- Redwood Falls. Julie Rath of the Redwood Area Development Corporation assisted with some of this data. Besides Artesyn that is identified on the draft freight map, there is Central Bi-Products, Schult Mobil Homes and the Monsanto Seed Processing Plant. Majority of Manufacturers in Redwood Falls use trucking for their product also is access to rail for some.

		Manley Tire.	Near Beaver Creek	There is a very large volume tire business located at Manley. Upon discussion with County staff, we would estimate take at least 2 truckloads of tires are received per week with the same number of used tires out going. The freight shipments most likely use the Interstate to access Manly, but public comes from all directions. There is a rail crossing at Manley.

**Appendix 3. Grain Elevators / Buyers, etc in the Southwest Region.
Data from the 2003 Department of Agriculture Licenses.
Sort done by Headquarters to show how the elevators are connected.
