Introductions – Everyone was asked to introduce themselves and who they represent.

Background, data, and demographics reviewed. Reviewed the background of Plan, regional data and demographics.

Presentation of data collected presented and discussed. Presented the data collected through research, surveys, and focus groups. Steering committee asked questioned and provided input on areas of clarification needed. Steering committee requested the Planner provide definitions of the Type of Vehicles from the Organizational Questionnaire (“Provider Survey”).

Discussion of Planning Workshop Agenda. Steering Committee and Planner discussed and finalized the agenda for the Public Planning Workshop on March 30, 2017. Committee requested staff to prepopulate the Needs Assessment and Categories with the top identified gaps and needs from the surveys and focus groups for the Planning Workshop.
