

THE CASEY JONES STATE TRAIL

SUPPORTING THE 100 MILE VISION

THE TRAIL

1967

The Casey Jones State Trail became the first designed state trail in Minnesota.

SINCE THEN...

600+ Miles of paved trail have been built in Minnesota

14 Of those miles are located in Southwest Minnesota

MINNESOTA STATE TRAILS

THE VISION

100+ Miles

The trail will connect from Luverne to Redwood Falls, stretching across 4 counties.

BUILDING MOMENTUM

#10 In 2017, Lake Shetek State Park was the tenth most visited tourist attraction in Southern MN

36% Membership to the Friends of the Casey Jones State Trail has increased by 36% in the last year

12 Communities/organizations have submitted letters of support

\$840 thousand Has been secured through LCCMR 2021 funding to rehabilitate the north segment of the Currie Loop

\$700 thousand Has been secured through 2021 Legacy funding to complete paving of the final 2 miles to the City of Woodstock

With other trails expanding in the region, there is potential for a vast, interconnected series of trails crisscrossing Southwest Minnesota.

Website

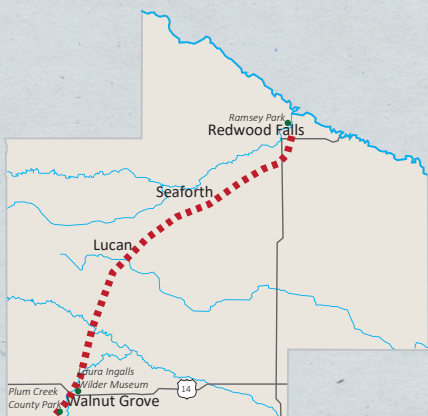

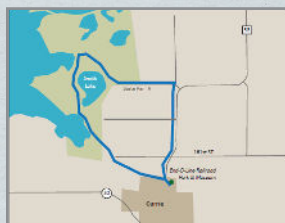

It's time to accelerate progress on the Casey Jones State Trail. Help support trail expansion in Southwest Minnesota.
